

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

PAUL HAYDEN, et al.,

Plaintiffs,

v.

PORTOLA PHARMACEUTICALS
INC., et al.,

Defendants.

No. 3:20-cv-00367-VC

**ORDER PRELIMINARILY APPROVING
SETTLEMENT AND PROVIDING FOR NOTICE**

WHEREAS, an action is pending before this Court entitled *Hayden, et al. v. Portola Pharmaceuticals, Inc., et al.*, No. 3:20-cv-00949-VC (N.D. Cal.) (the “Action”);

WHEREAS, the parties having made an application, pursuant to Rule 23(e) of the Federal Rules of Civil Procedure, for an order preliminarily approving the settlement of this action, in accordance with a Stipulation and Agreement of Settlement, dated September 19, 2022 (the “Stipulation” (all capitalized terms not otherwise defined herein are defined in the Stipulation)), which, together with the exhibits annexed thereto, sets forth the terms and conditions for a proposed settlement of the Action (the “Settlement”) and for dismissal of the Action with prejudice upon the terms and conditions set forth therein; and the Court having read and considered the Stipulation and the exhibits annexed thereto;

WHEREAS, unless otherwise defined, all terms used herein have the same meanings as set forth in the Stipulation;

WHEREAS, the Court preliminarily finds that:

- (a) the Settlement resulted from informed, extensive arm's-length negotiations between experienced counsel following certain discovery, including mediation under the direction of an experienced mediator, Robert A. Meyer, Esq.;
- (b) the proposed Settlement eliminates risks to the Settling Parties of continued litigation;
- (c) the Settlement does not provide undue preferential treatment to Lead Plaintiff Alameda County Employees' Retirement Association ("Lead Plaintiff" or "ACERA"), Additional Named Plaintiff Oklahoma Firefighters Pension and Retirement System ("OFPRS") (collectively, "Plaintiffs") or to segments of the Settlement Class;
- (d) the Stipulation does not provide excessive compensation to Plaintiffs' Counsel; and
- (e) the Settlement appears to fall within the range of possible approval and is therefore sufficiently fair, reasonable, and adequate to warrant providing notice of the Settlement to the Settlement Class; and

NOW, THEREFORE, IT IS HEREBY ORDERED THAT:

1. The Court has considered the Stipulation under the applicable standard set forth in Fed. R. Civ. P. 23(e)(1)(B). "At the initial [approval] stage, the inquiry should be whether the settlement is 'fair, reasonable, and adequate,' based on any information the district court receives from the parties or can obtain through its own research," and that inquiry is as rigorous as at the final approval stage. Cotter v. Lyft, Inc., 193 F. Supp. 3d 1030, 1037 (N.D. Cal. 2016) (Chhabria, J.). Having conducted this inquiry, the Court hereby preliminarily approves the Settlement, subject to further consideration at the Final Approval Hearing described below.
2. Pursuant to Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure, and for purposes of this Settlement only, the Action is hereby preliminarily certified as a class action on behalf of:

all persons and entities who purchased or otherwise acquired the common stock of Portola Pharmaceuticals, Inc. ("Portola Inc.") between January 8, 2019 and February 28, 2020, inclusive (the "Settlement Class Period"), and were allegedly

damaged thereby; including those who purchased or otherwise acquired Portola Inc. common stock either in or traceable to Portola Inc.'s secondary public offering ("SPO") on or about August 14, 2019, and were allegedly damaged thereby ("Settlement Class"). Excluded from the Settlement Class are: (i) Defendants; (ii) members of the immediate family of any Individual Defendant; (iii) any person who was an officer, director, or controlling person of Portola Inc. or any of the Underwriter Defendants; (iv) any subsidiaries or affiliates of Portola or any of the Underwriter Defendants; (v) any entity in which any such excluded party has, or had, a direct or indirect majority ownership interest; (vi) Defendants' directors' and officers' liability insurance carriers, and any affiliates or subsidiaries thereof; and (vii) the legal representatives, heirs, successors-in-interest, or assigns of any such excluded persons or entities. Notwithstanding the foregoing and for the avoidance of doubt, the Settlement Class shall not exclude any "Investment Vehicles," defined as any investment company, or pooled investment fund or separately managed account (including, but not limited to, mutual fund families, exchange traded funds, funds of funds, private equity funds, real estate funds, hedge funds, and employee benefit plans) in which the Underwriter Defendants, or any of them, have, has, or may have a direct or indirect interest, or as to which its affiliates may serve as a fiduciary or act as an investment advisor, general partner, managing member, or in any other similar capacity but in which any of the Underwriter Defendants, alone or together with its, his, or her respective affiliates, is not a majority owner or does not hold a majority beneficial interest. Also excluded from the Settlement Class is any Settlement Class Member that validly and timely requests exclusion in accordance with the requirements set by the Court.

3. The Court finds, for the purposes of the Settlement only, that the prerequisites for a class action under Rules 23(a) and (b)(3) of the Federal Rules of Civil Procedure have been satisfied in that: (a) the number of Settlement Class Members is so numerous that joinder of all members is impracticable; (b) there are questions of law and fact common to the Settlement Class; (c) the claims of Plaintiffs are typical of the claims of the Settlement Class they seek to represent; (d) Plaintiffs and Plaintiffs' Counsel have and will fairly and adequately represent the interests of the Settlement Class; (e) the questions of law and fact common to members of the Settlement Class predominate over any questions affecting only individual Settlement Class Members; and (f) a class action is superior to other available methods for the fair and efficient adjudication of the controversy.

4. Pursuant to Rule 23 of the Federal Rules of Civil Procedure, and for the purposes of the Settlement only, Plaintiffs are preliminarily certified as class representatives and Lead Counsel Berman Tabacco is preliminarily certified as class counsel.

5. The Court preliminarily finds that the Settlement should be approved as: (a) the result of serious, extensive arm's-length and non-collusive negotiations; (b) falling within a range of reasonableness warranting final approval; (c) having no obvious deficiencies; and (d) warranting notice of the proposed Settlement to Settlement Class Members and further consideration of the Settlement at the Final Approval Hearing described below.

6. The Final Approval Hearing shall be held before this Court on March 2, 2023, at 10:00 a.m. (a date that is at least ninety (90) calendar days from entry of this Order), either in person at the United States District Court for the Northern District of California, San Francisco Courthouse, Courtroom 4 – 17th Floor, 450 Golden Gate Avenue, San Francisco, CA 94102 or via video or teleconference, to determine: (a) whether the proposed Settlement of the Action on the terms and conditions provided for in the Stipulation is fair, reasonable, and adequate to the Settlement Class and should be approved by the Court; (b) whether a Judgment, as provided in ¶1.17 of the Stipulation, should be entered; (c) whether the proposed Plan of Allocation is fair, reasonable, and adequate and should be approved; and (d) the amount of fees and reimbursement of expenses that should be awarded to Plaintiffs' Counsel and Plaintiff. The Court may adjourn the Final Approval Hearing without further notice to Settlement Class Members.

7. The Court approves, as to form, substance, and content, the Notice of Pendency of Class Action and Proposed Settlement, Final Approval Hearing, and Motion for Attorneys' Fees and Reimbursement of Litigation Expenses (the "Notice"), the Proof of Claim and Release form (the "Proof of Claim"), and Summary Notice of Pendency of Class Action and Proposed Settlement, Final Approval Hearing, and Motion for Attorneys' Fees and Reimbursement of Litigation Expenses (the "Summary Notice"), annexed hereto as Exhibits A-1, A-2, and A-3, respectively, and finds that the mailing and distribution of the Notice and publishing of the Summary Notice, substantially in the manner and form set forth in this Order, meet the requirements of Federal Rule of Civil Procedure 23 and due process, and is the best notice practicable under the circumstances and shall constitute due and sufficient notice to all Persons entitled thereto.

8. All fees, costs, and expenses incurred in identifying and notifying Settlement Class Members shall be paid from the Settlement Fund as set forth in the Stipulation, and in no event shall any of the Defendants or Defendants' Releasees bear any responsibility for such fees, costs, or expenses. Notwithstanding the foregoing, Portola shall be responsible for the costs and expenses, if any, of providing to Lead Counsel and/or the Claims Administrator (defined below) pertinent transfer records for purposes of mailing notice to the Settlement Class.

9. The firm of Epic Class Action and Claims Solution, Inc. ("Claims Administrator") is hereby appointed to supervise and administer the notice procedure as well as the processing of Claims as more fully set forth below:

(a) Portola shall provide to Lead Counsel or the Claims Administrator, at no cost to Lead Plaintiff or the Settlement Class, within ten (10) business days after the Court signs this Order, transfer records in electronic searchable form, such as Excel, containing the names and addresses of Persons who purchased or otherwise acquired Portola common stock during the Settlement Class Period;

(b) Not later than **November 14, 2022** (the "Notice Date") (a date fourteen (14) calendar days after entry by this Court of this Order), the Claims Administrator shall commence mailing the Notice and Proof of Claim, substantially in the forms annexed hereto as Exhibits A-1 and A-2, respectively, by First-Class Mail to all Settlement Class Members who can be identified with reasonable effort and to be posted on its website at www.PortolaSecuritiesLitigation.com;

(c) Not later than **November 21, 2022** (a date seven (7) calendar days after the Notice Date), the Claims Administrator shall cause the Summary Notice to be published once in the national edition of *Investor's Business Daily* and once over a national newswire service; and

(d) At least seven (7) calendar days prior to the Final Approval Hearing, Lead Counsel shall serve on Defendants' Counsel and file with the Court proof, by affidavit or declaration, of such mailing and publishing.

10. Nominees who purchased or acquired Portola Inc. common stock during the Settlement Class Period for the beneficial ownership of Settlement Class Members shall send the

Notice and the Proof of Claim to all such beneficial owners of Portola Inc. common stock within ten (10) calendar days after receipt thereof, or send a list of the names and addresses of such beneficial owners to the Claims Administrator within ten (10) calendar days of receipt thereof, in which event the Claims Administrator shall promptly mail the Notice and Proof of Claim to such beneficial owners. Lead Counsel shall, if requested, reimburse banks, brokerage houses, or other nominees solely for their reasonable out-of-pocket expenses incurred in providing notice to beneficial owners who are Settlement Class Members out of the Settlement Fund, which expenses would not have been incurred except for the sending of such notice, subject to further order of this Court with respect to any dispute concerning such compensation.

11. All Settlement Class Members who do not request exclusion from the Settlement Class shall be bound by all determinations and judgments in the Action concerning the Settlement, including, but not limited to, the releases provided for therein, whether favorable or unfavorable to the Settlement Class, whether or not such Settlement Class Members submit Proofs of Claim or otherwise seek or obtain by any means any distribution from the Net Settlement Fund.

12. Settlement Class Members who wish to participate in the Settlement shall complete and submit Proofs of Claim in accordance with the instructions contained therein. Unless the Court orders otherwise, all Proofs of Claim must be postmarked or submitted electronically no later than **February 13, 2023** (a date ninety (90) calendar days from the Notice Date). Any Settlement Class Member who does not timely submit a Proof of Claim within the time provided for, shall be barred from sharing in the distribution of the proceeds of the Settlement Fund, unless otherwise ordered by the Court.

13. Any Member of the Settlement Class who does not request exclusion from the Settlement Class may enter an appearance in the Action, at their own expense, individually or through counsel of their own choice. Any Settlement Class Member who does not enter an appearance will be represented by Lead Counsel.

14. Any Person falling within the definition of the Settlement Class may, upon request, be excluded or “opt out” from the Settlement Class. Any such Person must submit to the Claims Administrator a signed request for exclusion (“Request for Exclusion”) such that it is postmarked no later than February 9, 2023 (a date that is twenty-one (21) calendar days prior to the Final Approval Hearing). A Request for Exclusion must state: (i) name; (ii) address; (iii) telephone number; (iv) number of shares of Portola Inc. common stock purchased or otherwise acquired during the Settlement Class Period; (v) the date of each such purchase or acquisition and the price or other consideration paid; (vi) the date of each sale or other disposal of any share of Portola Inc. common stock during the Settlement Class Period and the price or other consideration received; (vii) the number of shares of Portola Inc. common stock held immediately before the commencement of the Settlement Class Period; and (viii) a statement that the Person or entity wishes to be excluded from the Settlement Class. Any request for exclusion must also be signed by the Person or entity requesting exclusion. All Persons who submit valid and timely Requests for Exclusion in the manner set forth in this paragraph and the Notice shall have no rights under the Settlement, shall not share in the distribution of the Net Settlement Fund, and shall not be bound by the Settlement or any Final Judgment. Unless otherwise ordered by the Court, any Person falling within the definition of the Settlement Class who fails to timely request exclusion from the Settlement Class in compliance with this paragraph shall be deemed to have waived his, her, or its right to be excluded from the Settlement Class.

15. Lead Counsel or the Claims Administrator shall cause to be provided to Defendants’ Counsel copies of all Requests for Exclusion, and any written revocation of Requests for Exclusion, within three (3) business days of receipt by Lead Counsel, and in any event, not less than seventeen (17) calendar days prior to the Final Approval Hearing.

16. Any Member of the Settlement Class may file a written objection to the proposed Settlement and show cause why the proposed Settlement of the Action should or should not be approved as fair, reasonable, and adequate, why a judgment should or should not be entered thereon, why the Plan of Allocation should or should not be approved, why attorneys’ fees and

reimbursement of Litigation Expenses should or should not be awarded to Plaintiffs' Counsel, or why costs and expenses should or should not be awarded to Plaintiffs, provided, however, that no Settlement Class Member or any other Person shall be heard or entitled to contest such matters, unless that Person has submitted or filed said objections, papers, and briefs with the Clerk of the United States District Court for the Northern District of California, San Francisco Courthouse, 450 Golden Gate Avenue, San Francisco, CA 94102, so that they are received, and not simply postmarked, on or before February 9, 2023 (a date that is twenty-one (21) calendar days prior to the Final Approval Hearing). Any Member of the Settlement Class who does not make his, her, or its objection in the manner provided herein and in the Notice shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness or adequacy of the proposed Settlement as set forth in the Stipulation, to the Plan of Allocation, or to the award of attorneys' fees and Litigation Expenses to Plaintiffs' Counsel or costs and expenses to Plaintiffs, unless otherwise ordered by the Court. Attendance at the Final Approval Hearing is not necessary. However, Persons wishing to be heard orally in opposition to approval of the Settlement, the Plan of Allocation, and/or the award of fees and reimbursement of expenses to Plaintiffs' Counsel or Plaintiffs are required to indicate in their written objection their intention to appear at the Final Approval Hearing. Settlement Class Members do not need to appear at the Final Approval Hearing or take any action if they do not oppose any aspect of the Settlement.

17. Any objections, filings, and other submissions by the objecting Settlement Class Member must: (a) state the name, address, and telephone number of the Person objecting and must be signed by the objector; (b) contain a statement of the Settlement Class Member's objection or objections, and the specific reasons for each objection, including any legal and evidentiary support the Settlement Class Member wishes to bring to the Court's attention; and (c) include documents sufficient to prove membership in the Settlement Class, including the objecting Settlement Class Member's purchases, acquisitions, and sales of Portola Inc. common stock during the Settlement Class Period, including the dates, the number of shares of Portola

Inc. common stock purchased, acquired, or sold, and price paid or received for each such purchase, acquisition, or sale.

18. All funds held by the Escrow Agent shall be deemed and considered to be in *custodia legis* of the Court, and shall remain subject to the jurisdiction of the Court, until such time as such funds shall be distributed pursuant to the Stipulation and/or further order(s) of the Court.

19. All opening briefs and supporting documents in support of the final approval of the Settlement, the Plan of Allocation, and any application by Lead Counsel for attorneys' fees and Litigation Expenses shall be filed and served by January 26, 2023 (a date that is thirty-five (35) calendar days prior to the Final Approval Hearing). Replies to any objections shall be filed and served by February 23, 2023 (a date that is seven (7) calendar days prior to the Final Approval Hearing).

20. Neither the Defendants and their related parties nor Defendants' Counsel shall have any responsibility for the Plan of Allocation or any application for attorneys' fees or Litigation Expenses of Plaintiffs' Counsel and costs and expenses of Plaintiffs submitted by Plaintiffs' Counsel, and such matters will be considered separately from the fairness, reasonableness, and adequacy of the Settlement.

21. At or after the Final Approval Hearing, the Court shall determine whether the Plan of Allocation proposed by Lead Counsel, and any application for attorneys' fees or reimbursement of Litigation Expenses of Plaintiffs' Counsel and costs and expenses of Plaintiffs shall be approved.

22. All reasonable expenses incurred in identifying and notifying Settlement Class Members, as well as administering the Settlement Fund, shall be paid as set forth in the Stipulation. In the event the Settlement is not approved by the Court, or otherwise fails to become effective, neither Plaintiffs nor any of their counsel shall have any obligation to repay any amounts incurred and properly disbursed pursuant to ¶¶ 3.6 or 3.7 of the Stipulation.

23. Neither this Order, the Stipulation, nor any of its terms or provisions, nor any of the negotiations or proceedings connected with it, nor any act performed or document executed pursuant to or in furtherance of the Stipulation or the Settlement or this Order, shall be construed as an admission or concession by the Defendants or any other Released Persons of the truth of any of the allegations in the Action, or of any liability, fault, or wrongdoing of any kind, or offered or received in evidence, or otherwise used by any person in the Action, or in any other action or proceeding, whether civil, criminal, or administrative, in any court, administrative agency, or other tribunal, except in connection with any proceeding to enforce the terms of the Stipulation or this Order. The Defendants may file the Stipulation, this Order, and/or the Judgment in any other action that may be brought against them in order to support a defense or counterclaim based on principles of res judicata, collateral estoppel, release, good faith settlement, judgment bar or reduction, or any theory of claim preclusion or issue preclusion or similar defense or counterclaim.

24. The Court may adjourn the date of the Final Approval Hearing without further notice to the Settlement Class Members, and retains jurisdiction to consider all further applications arising out of or connected with the proposed Settlement. The Court may approve the Settlement, with such modifications as may be agreed to by the Settling Parties, if appropriate, without further notice to the Settlement Class.

25. If the Stipulation and the Settlement set forth therein is not approved or consummated for any reason whatsoever, this Order shall be rendered null and void, and be of no further force and effect, except as otherwise provided by the Stipulation. This Order, the Stipulation, and the Settlement, and all proceedings had in connection therewith, shall be without prejudice to the rights of the Settling Parties *status quo ante*.

26. Unless otherwise ordered by the Court, all proceedings in the Action are stayed, except as may be necessary to implement the Settlement or comply with the terms of the Stipulation or other agreement of the Settling Parties. Pending final determination of whether the proposed Settlement should be approved, neither Plaintiffs nor any Settlement Class

Member, directly or indirectly, representatively, or in any other capacity, shall commence or prosecute against any of the Defendants any action or proceeding in any court or tribunal asserting any of the Released Claims.

IT IS SO ORDERED.

Notice of Settlement: Please also be advised that the Court-appointed Lead Plaintiff, Alameda County Employees' Retirement Association ("ACERA" or "Lead Plaintiff"), on behalf of itself, Additional Named Plaintiff Oklahoma Firefighters Pension and Retirement System ("OFPRS"), and the Settlement Class (as defined in Question No. 5 below), have reached a proposed settlement of the Action for \$17,500,000 in cash (the "Settlement").

PLEASE READ THIS NOTICE CAREFULLY. This Notice summarizes the proposed Settlement and explains important rights you may have, including the possible receipt of a payment from the Settlement. PLEASE DO NOT TELEPHONE THE COURT OR THE COURT CLERK'S OFFICE, OR PORTOLA OR ANY OTHER DEFENDANT OR THEIR COUNSEL TO INQUIRE ABOUT THIS SETTLEMENT OR THE CLAIM PROCESS.

Description of the Action and the Settlement Class: The Settlement, which is subject to Court approval, resolves this Action—a class action brought in federal court by Lead Plaintiff ACERA, on behalf of itself, Additional Named Plaintiff OFPRS, and others who purchased or otherwise acquired Portola Pharmaceuticals, Inc. common stock ("Portola Common Stock") during the Settlement Class Period, over whether Portola; Defendants Scott Garland, Mardi C. Dier, and Sheldon Koenig ("Officer Defendants"); Defendants Hollings C. Renton, Jeffrey W. Bird, Laura Brege, Dennis Fenton, John H. Johnson, David C. Stump, and H. Ward Wolff ("Director Defendants") (together with Portola and Officer Defendants, the "Portola Defendants"); and Defendants Goldman Sachs & Co. LLC, Citigroup Global Markets Inc., Cowen and Company, LLC, William Blair & Company, L.L.C., and Oppenheimer & Co. Inc. ("Underwriter Defendants") (together with Portola Defendants, "Defendants") made materially false and/or misleading statements and omissions concerning primarily the Company's overstatement of revenue, as well as general compliance with Generally Accepted Accounting Principles and, specifically, Accounting Standard Codification, Topic 606, as well as misrepresenting the demand and utilization of Portola's drug Andexxa throughout the Settlement Class Period. The proposed Settlement, if approved by the Court, will settle claims of the Settlement Class, as defined in Question Nos. 2 and 5 below.

Statement of the Settlement Class's Recovery: Subject to Court approval, Lead Plaintiff and Additional Named Plaintiff OFPRS, on behalf of themselves and the Settlement Class, have agreed to settle the Action in exchange for \$17.5 million in cash (the "Settlement Amount") to be deposited into an Escrow Account. The Net Settlement Fund (*i.e.*, the Settlement Amount plus any and all interest earned thereon (the "Settlement Fund") less (i) any Taxes; (ii) any Notice and Administration Costs; (iii) any Litigation Expenses awarded by the Court; (iv) any attorneys' fees awarded by the Court; and (v) any other costs or fees approved by the Court) will be distributed in accordance with a plan of allocation that is approved by the Court. The proposed plan of allocation (the "Plan of Allocation") is set forth at pages ___ to ___ below. The Plan of Allocation will determine how the Net Settlement Fund shall be allocated among members of the Settlement Class.

Estimate of Average Amount of Recovery: Based on Lead Plaintiff's consulting damages expert's estimate of the number of shares of Portola Common Stock purchased or otherwise acquired during the Settlement Class

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

Period that may have been affected by the conduct at issue in the Action, and assuming that all Settlement Class Members elect to participate in the Settlement, the estimated average recovery (before the deduction of any Court-approved fees, expenses, and costs described herein) is \$0.62 per affected common share. Settlement Class Members should note, however, that the average recoveries provided herein are only estimates. Some Settlement Class Members may recover more or less than these estimated amounts depending on, among other factors, when and at what price they purchased or otherwise acquired or sold their Portola stock, and the total number and value of valid Claim Forms submitted. Distributions to Settlement Class Members will be made based on the Plan of Allocation as set forth herein (*see* pages ___ to ___ below) or such other plan of allocation as may be ordered by the Court.

Average Amount of Damages Per Share: The Parties do not agree on the average amount of damages per share that would be recoverable if Lead Plaintiff were to prevail in the Action. Among other things, Defendants do not agree with the assertion that they violated the federal securities laws or that any damages were suffered by any members of the Settlement Class as a result of their conduct.

Attorneys' Fees and Expenses Sought: Lead Counsel, Berman Tabacco, has been prosecuting the Action on a wholly contingent basis since its appointment as Lead Counsel on April 22, 2020, and has not received any payment of attorneys' fees for its representation of the Settlement Class, and has advanced the funds to pay expenses necessarily incurred to prosecute this Action. Lead Counsel will apply to the Court for an award of attorneys' fees in an amount not to exceed 25% of the Settlement Fund. In addition, Lead Counsel will apply for the payment of Litigation Expenses incurred in connection with the institution, prosecution, and resolution of the Action in an amount not to exceed \$840,000, as well as for reimbursement of reasonable costs and expenses (in an amount not to exceed \$20,000 in total) incurred by Lead Plaintiff ACERA and Additional Named Plaintiff OFPRS directly related to their representation of the Settlement Class, pursuant to the Private Securities Litigation Reform Act of 1995 ("PSLRA"). Any fees and expenses awarded by the Court will be paid from the Settlement Fund plus that percentage of interest accrued. Settlement Class Members are not personally liable for any such fees or expenses. The estimated average cost for such fees and expenses, if the Court approves Lead Counsel's fee and expense application, is \$0.19 per affected common share.

Identification of Attorneys' Representative: Lead Plaintiff and the Settlement Class are represented by Daniel E. Barenbaum, Esq. of Berman Tabacco, 425 California Street, 23rd Floor, San Francisco, CA 94104; (415) 433-3200; law@bermantabacco.com.

Reasons for the Settlement: Lead Plaintiff's principal reason for entering into the Settlement is the substantial and certain recovery for the Settlement Class without the risk or delays inherent in further litigation. Moreover, the substantial recovery provided under this Settlement must be considered against the significant risk that a smaller recovery—or indeed no recovery at all—might be achieved after contested motions, a trial of the Action, and the likely appeals that would follow a trial. This process could be expected to last several years. Defendants, who have denied and continue to deny all allegations of liability, fault, or wrongdoing whatsoever, are entering into the Settlement solely to eliminate the uncertainty, burden, and expense of further protracted litigation.

Your Legal Rights and Options	
You can:	That Means:
Submit a Claim Form Postmarked or Submitted Electronically by _____	You can show that you are a Settlement Class Member and can get payment from the Settlement. If the proposed Settlement is finally approved by the Court, you may share in the proceeds if your Claim is received, timely, and valid, and you meet the other requirements of the Plan of Allocation described on pages __ to __ below. This is the only way to get a payment. Regardless of whether you submit a Claim, you will be bound by the Settlement as approved by the Court and you will give up any Released Plaintiffs' Claims (defined in Question No. 12 below) that you have against Defendants and the other Defendants' Releasees (defined in Question No. 12 below), so it is in your interest to submit a Claim.
Exclude Yourself by Submitting a Written Request for Exclusion Postmarked by _____	You can ask to be excluded from the Settlement Class. If excluded, you will get no payment from this Settlement and will not be part of the Settlement Class, and will not be bound by any Judgment. This is the only option that allows you to ever be part of any other separate lawsuit, including your own lawsuit, against any of Defendants about the legal claims being settled in this Action.
Object by Submitting A Written Objection So That it is Received by _____	If you remain part of the Settlement Class but have an objection to the Settlement, or some part of it, or the requested attorneys' fees or Litigation Expenses or other costs and expenses, you can write to the Court to explain why.
Attend a Hearing on _____ (which may be held in person or virtually)	If you remain part of the Settlement Class, you can write by [DATE] to the Court and ask to speak at the Final Approval Hearing on _____ when the Court considers the fairness of the Settlement, the request for attorneys' fees and reimbursement of Litigation Expenses and the request for awards to Lead Plaintiff ACERA and Additional Named Plaintiff OFPRS for their costs and expenses. If you submit a written objection, you may (but you do not have to) attend the hearing and, at the discretion of the Court, speak to the Court about your objection. Please check Judge Chhabria's website and docket closer to the Final Approval Hearing Date for whether the hearing will be held in person or via Zoom.
Do Nothing	You will get no payment and will give up your rights to sue Defendants about the claims that are resolved by this Settlement. You will, however, remain a member of the Settlement Class, which means that you will be bound by any judgment or orders entered by the Court in this Action.

These rights and options—**and the deadlines to exercise them**—are explained in this Notice.

While the Court in charge of this case has given preliminary approval to the Settlement, it still has to decide whether to give final approval to the Settlement (subject to any appeals) as fair, reasonable, and adequate.

BASIC INFORMATION

1. Why did I get this Notice package?
--

You or someone in your family may have purchased or otherwise acquired Portola Common Stock during the period between January 8, 2019 through February 28, 2020, inclusive.

The Court caused this Notice to be sent to you because you have a right to know about a proposed Settlement of a class action lawsuit, a hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlement, and about all of your options, before the Court decides whether to approve the Settlement.

This Notice explains this Action, the Settlement, your legal rights, what benefits are available, who is eligible for them, and how to get them. The issuance of this Notice is not an expression of any opinion by the Court concerning the merits of any claim in the Action, and the Court still has to decide whether to approve the Settlement. If the Court approves the Settlement and the Plan of Allocation, then payments to Authorized Claimants will be made after any appeals are resolved and after the completion of all claims processing. Please be patient, as this process can take some time to complete.

The Court in charge of the case is the United States District Court for the Northern District of California, and the case is known as *Hayden, et al. v. Portola Pharmaceuticals, Inc., et al.*, Case No. 3:20-cv-00367-VC. District Judge Vince Chhabria is the Judge in charge of this class action. The person or entity who sued is called the “Lead Plaintiff” (here, ACERA) and there is an Additional Named Plaintiff, OFPRS, named in the complaint as well. The company being sued, Portola Pharmaceuticals, Inc., and the persons and other entities being sued, Scott Garland; Mardi C. Dier; Sheldon Koenig; Hollings C. Renton; Jeffrey W. Bird; Laura Brege; Dennis Fenton; John

H. Johnson; David C. Stump; H. Ward Wolff; Goldman Sachs & Co. LLC; Citigroup Global Markets Inc.; Cowen and Company, LLC; William Blair & Company, L.L.C.; and Oppenheimer & Co. Inc., are called the “Defendants.”

2. What is this Action about?

In the Action, Lead Plaintiff alleges that Defendants violated the federal securities law by allegedly misrepresenting and/or failing to disclose material information about the Company’s revenue recognition and return reserves and general compliance with Generally Accepted Accounting Principles and, specifically, Accounting Standard Codification, Topic 606, as well as about the demand and utilization of Portola’s drug, Andexxa, throughout the Settlement Class Period. Lead Plaintiff alleges that the misleading nature of Defendants’ statements artificially inflated the price of Portola Common Stock and remained hidden until a series of partial disclosures were made beginning on January 9, 2019 and ending on February 28, 2020 regarding Portola’s financial results for 2019, which Lead Plaintiff alleges caused Portola’s stock price to drop. Defendants vigorously contest Lead Plaintiff’s allegations, denying all allegations of liability in the Action and denying that they are liable in any way to the Settlement Class.

Beginning on January 16, 2020, three class action complaints were filed in the United States District Court for the Northern District of California. These three cases have since been consolidated under case number 3:20-cv-00367-VC for all purposes by an order dated March 29, 2022. By separate order, on April 22, 2020, this Court appointed the ACERA as Lead Plaintiff for the Settlement Class and approved Lead Plaintiff’s choice of the law firm of Berman Tabacco as Lead Counsel.

On May 20, 2020, after extensive investigation by Lead Counsel, Lead Plaintiff filed a Consolidated Complaint for Violations of the Securities Laws alleging violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, 15 U.S.C. §§ 78j(b) and 78t(a) (“Exchange Act”), and Rule 10b-5, 17 C.F.R. § 240.10b-5, promulgated thereunder, as well as for violations of Sections 11, 12(a)(2), and 15 of the Securities Act of 1933, 15 U.S.C. §§ 77k, 77l(a)(2), and 77o (“Securities Act”). On July 1, 2020, Defendants moved to dismiss the Consolidated Complaint. On September 24, 2020, the Court granted the motion to dismiss the Consolidated Complaint with leave to amend.

On November 5, 2020, Lead Plaintiff filed a First Amended Consolidated Complaint for Violations of the Securities Laws. On December 15, 2020, Defendants moved to dismiss the First Amended Complaint. On March 10, 2021, the Court entered an Order granting the motion to dismiss the First Amended Complaint with leave to amend.

On March 31, 2021, Lead Plaintiff filed a Second Amended Consolidated Complaint for Violations of the Securities Laws. On May 5, 2021, Defendants moved to dismiss the Second Amended Complaint. On August 10, 2021, the Court entered an Order Granting In Part and Denying In Part Defendants’ Motion To Dismiss Second Amended Complaint.

On September 8, 2021, the Court entered its pretrial schedule order. Following its September 1, 2020 case management conference, the Court allowed discovery to proceed and, among other things, set the Class

Certification Motion for filing on February 17, 2022, the fact discovery cutoff for June 9, 2022, and trial for December 12, 2022. (On February 22, 2022, the Court entered an amended pretrial order, resetting the class certification hearing for June 9, 2022, the fact discovery cutoff for August 25, 2022, and trial for March 20, 2023.)

On August 31, 2021, Lead Plaintiff filed a Third Amended Consolidated Complaint for Violations of the Securities Laws. On September 21, 2021, Defendants moved to dismiss the Third Amended Complaint. On January 20, 2022, the Court entered an order denying the Defendants' motion to dismiss the Third Amended Complaint.

On March 3, 2022, the Portola Defendants and Underwriter Defendants filed their answers to the Third Amended Complaint. Between entry of the September 8, 2020 pretrial schedule order and June 8, 2022, the parties conducted discovery between the parties, including Defendants' production to Lead Plaintiff of over 32,000 documents (including over 211,000 produced pages), seven depositions, and third-party discovery. On February 17, 2022, Lead Plaintiff filed its motion for class certification. On April 25, 2022, Defendants filed their opposition to Lead Plaintiff's motion for class certification, and Lead Plaintiff filed its reply on June 2, 2022. Hearing was set for June 9, 2022, and on June 7, 2022, the Court issued an order rescheduling it to July 7, 2022.

In April 2022, the parties engaged the services of a nationally-recognized mediator, Robert A. Meyer, Esquire, to mediate a resolution of this Action. On May 13, 2022, the parties submitted detailed mediation statements, and on May 20, 2022, they submitted detailed reply mediation statements. On May 24, 2022, the parties engaged in a full-day mediation session with Mr. Meyer. Although the parties were unable to reach agreement to settle on that date, they continued to engage in arm's length settlement negotiations through the mediator. On June 8, with the continued assistance of Mr. Meyer, the parties reached an agreement in principle to settle the Action for \$17,500,000, subject to approval by the Court.

On _____, 2022, the Court preliminarily approved the Settlement, authorized this Notice to be sent to potential Settlement Class Members, and scheduled the Final Approval Hearing to consider whether to grant final approval to the Settlement.

3. What is a class action?

In a class action, the plaintiff is called the Class Representative, and he/she/it sues on behalf of numerous people who have similar claims. All these people with similar claims are a class, and each one is a class member. One court resolves the claims of all class members, except for those who properly exclude themselves from the class.

4. Why is there a Settlement?

Instead of litigating the Action through trial, Lead Plaintiff and Defendants, after an intensive, arm's-length negotiation facilitated by a neutral mediator, agreed to a compromise of the claims for \$17.5 million. The Court did not decide in favor of Lead Plaintiff or Defendants. Lead Plaintiff believes it could have obtained money if it won a trial; the Defendants believe Lead Plaintiff would not have won anything from a trial. But there was no trial. Instead, both sides agreed to a settlement. That way, they avoid the risks and cost of a trial and possible appeals, and Settlement Class Members affected will get compensation. Lead Plaintiff ACERA and Additional

Named Plaintiff OFPRS, as Class Representatives, and Lead Counsel believe the Settlement is best for all Settlement Class Members.

Lead Plaintiff believes that the proposed Settlement is fair, reasonable, adequate, and in the best interests of the Settlement Class. Throughout the litigation, Defendants raised a number of arguments and defenses (which they would continue to do through class certification, summary judgment, and trial), including, among others, that none of the challenged misrepresentations were false or misleading when made, that some or all of the corrective disclosures did not correct the alleged misrepresentations and omissions, and that Defendants did not act with the requisite fraudulent intent. Defendants would also likely argue that, even if Lead Plaintiff could establish liability, it would have trouble showing what part of Portola's stock price decline is attributable to the alleged fraud rather than other Company-specific bad news. While Lead Plaintiff believes that these arguments lack merit, there is no guarantee that Defendants would not prevail on one or more of these arguments. In the absence of a Settlement, the Settling Parties would present factual and expert testimony on each of these issues, and there is considerable risk that the Court or jury would resolve these issues against Lead Plaintiff and the Settlement Class.

Lead Counsel have thoroughly investigated and litigated the case prior to and since its appointment as Lead Counsel in 2020. Based upon its extensive investigation, its consultation with multiple experts, and its evaluation of the claims asserted against the Defendants and defenses that might be asserted, Lead Counsel believe that the Settlement is fair, reasonable, adequate, and in the best interests of the Settlement Class. The Settlement provides an immediate and certain monetary recovery. By settling, Lead Plaintiff and Defendants avoid the cost, uncertainty, and delay of continued litigation. The parties engaged in extensive negotiations that led to the Settlement described in this Notice. Lead Counsel believe the Settlement is fair because there is no guarantee the Settlement Class would win on any of the claims and, even if it did win, it might not be awarded any more money than the \$17.5 million plus interest, as provided for in the Stipulation, that Defendants have agreed to in order to settle the Action. Defendants' lawyers believe the Settlement is fair because even though Defendants deny Lead Plaintiff's claims, Defendants avoid the cost of continued litigation and risk of losing at trial.

Defendants deny all allegations of liability in the Action and deny that they are liable to the Settlement Class. The Settlement should not be seen as an admission or concession on the part of Defendants regarding the truth or validity of the allegations or claims in the Action, the lack of merit of any defenses or affirmative defenses, or their fault or liability for alleged damages by any Member of the Class.

WHO IS INCLUDED IN THE SETTLEMENT?

5. How do I know if I am a Settlement Class Member?
--

For the purposes of Settlement, with the few exceptions listed below, everyone who fits the following description is a Settlement Class Member: all persons and entities who purchased or otherwise acquired Portola Common Stock between January 8, 2019 and February 28, 2020, inclusive (the "Settlement Class Period"), and were allegedly damaged thereby; including those who purchased or otherwise acquired Portola common stock either in or traceable to Portola's secondary public offering ("SPO") on or about August 14, 2019, and were allegedly damaged thereby ("Settlement Class").

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

6. Are there any exceptions to being included as a Settlement Class Member?

Yes. You are **not** a Settlement Class Member if **any** of the following apply to you:

- a. You are a Defendant.
- b. You are a member of the immediate family of any Officer or Director Defendant.
- c. You served as an officer, director, and/or controlling person of Portola Inc. or any Underwriter Defendant at any time during the Settlement Class Period.
- d. You are a subsidiary or affiliate of Portola or any of the Underwriter Defendants.
- e. You are an insurance carrier for any of Defendants' directors' and officers' liability insurance policies, or an affiliate or subsidiary of such an insurance carrier.
- f. You are the legal representative, heir, successors-in-interest, or assign of any such excluded person or entity.
- g. You are an entity in which any excluded party has, or had, a direct or indirect majority ownership interest, except for Investment Vehicles in which the Underwriter Defendants have a direct or indirect ownership interest.
- h. You properly exclude yourself from the Settlement Class.

7. I am still not sure if I'm included.

If you are still not sure whether you are included, you can ask for free help. You can contact the Claims Administrator at (844) 808-4889 (Toll Free) or info@PortolaSecuritiesLitigation.com, or you can fill out the Claim Form described in Question No. 10 below ("*How can I get a payment?*") to see if you qualify. You can also contact Lead Counsel at the address and phone number listed below. Please do not contact the Court.

THE SETTLEMENT BENEFITS

8. What does the Settlement provide?

Defendants have paid or will pay \$17.5 million into an Escrow Account that will earn interest, as provided for in the Stipulation, for the benefit of the Settlement Class. After deduction of Taxes, Notice and Administration Costs, Litigation Expenses awarded by the Court, attorneys' fees awarded by the Court, and any other costs, expenses, or amounts as may be approved by the Court, the balance (the "Net Settlement Fund") will be distributed to the Settlement Class Members in accordance with the Plan of Allocation, discussed at pages ___ to ___ below.

In exchange for Defendants' payment, the claims described in response to Question No. 12 below ("*What am I giving up to get a payment or stay in the Settlement Class?*") will be released, discharged, and dismissed with prejudice.

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

9. How much will my payment be?

Your share of the Net Settlement Fund will depend on a variety of factors, including the number of valid and timely Claim Forms that Settlement Class Members send in, how many shares of Portola Common Stock you bought and sold, and when you bought and sold them. You should look at the Plan of Allocation section of this Notice that appears on pages __ to __ below for a description of the calculations to be made by the Claims Administrator in computing the amounts to be paid to the “Authorized Claimants,” that is, those investors who submit valid and timely Claim Forms establishing that they are Settlement Class Members.

10. How can I get a payment?

To qualify for payment, you must timely send in a Claim Form to the Claims Administrator. A Claim Form is attached to this Notice. Read the instructions carefully, fill out the Claim Form, include all the documents the form asks for, sign it, and mail it so that it is postmarked, or submit it electronically, no later than _____. Unless the Court orders otherwise, if you do not timely submit a Claim Form, you will be barred from receiving any payments from the Net Settlement Fund, but will in all other respects be bound by the Judgment in the case.

11. When would I get my payment?

The Settlement is conditioned on two main events: (i) the entry of the Judgment by the Court, as provided for in the Stipulation, after the Court holds a Final Approval Hearing to decide whether to approve the Settlement; and (ii) the expiration of the applicable period to file all appeals from the Judgment. If the Settlement is approved, it is possible there may be an appeal by someone. There is always uncertainty as to how these appeals will be resolved, and resolving them can take time, perhaps more than a year. Also, if certain conditions of the Settlement described in the Stipulation are not met, the Settlement will be terminated and become null and void. In addition, the Claims Administrator will need time to process all of the timely Claims before any distribution can be made.

12. What am I giving up to get a payment or stay in the Settlement Class?

As a member of the Settlement Class, in consideration for the benefits of the Settlement, you will be bound by the terms of the Settlement, and you will release Defendants’ Releasees, as defined below, from the Plaintiffs’ Released Claims, as defined below. Likewise, Defendants will be bound by the terms of the Settlement and will release Plaintiffs’ Releasees, as defined below, from the Defendants’ Released Claims, as defined below.

“Defendants’ Releasees” means, collectively, each and all of (i) the Defendants, the members of each Defendant’s immediate family, any entity in which any Defendant or any member of any of Defendant’s immediate family has or had a controlling interest (directly or indirectly), any estate or trust of which any Defendant is a settlor or which is for the benefit of any Defendant and/or members of his/her family; and (ii) for each and every Person listed in part (i), their respective former, present, or future parents, subsidiaries, divisions, and affiliates and the respective present and former employees, members, partners, principals, officers, directors, controlling

shareholders, attorneys, advisors, accountants, auditors, and insurers and reinsurers; and the predecessors, successors, estates, spouses, heirs, executors, trusts, trustees, administrators, agents, legal or personal representatives, assigns, and assignees, in their capacity as such.

“Released Plaintiffs’ Claims” means any and all claims, demands, losses, rights, and causes of action of every nature and description, including Unknown Claims, whether arising under federal, state, common, or foreign law, that Plaintiffs or any other member of the Settlement Class, on behalf of themselves, and their respective heirs, executors, administrators, predecessors, successors, assigns, representatives, attorneys, and agents in their capacities as such, (i) asserted in the Third Amended Consolidated Complaint for Violation of Securities Laws filed in the Action on August 31, 2021 (the “Complaint”) or (ii) could have asserted or could in the future assert in any court or forum that both arise out of or relate to any of the allegations, transactions, facts, matters or occurrences, representations or omissions involved, set forth, or referred to in the Complaint and that relate in any way, directly or indirectly, to the purchase, acquisition, holding, sale or disposition of Portola common stock during the Class Period. Released Plaintiffs’ Claims are only those claims based on the identical factual predicate as the securities claims at issue in the Action. This release does not cover, include, or release (i) any claims relating to the enforcement of the Settlement, or (ii) any claims of any person or entity that submits a request for exclusion from the Settlement Class that is accepted by the Court.

“Plaintiffs’ Releasees” means Plaintiffs, all other Settlement Class Members, and their respective current and former parents, affiliates, subsidiaries, officers, directors, agents, successors, predecessors, assigns, assignees, partnerships, partners, trustees, trusts, employees’ immediate family members, insurers, reinsurers, and attorneys in their capacity as such.

“Released Defendants’ Claims” means, collectively, any and all claims, debts, demands, rights, or causes of action of every nature and description (including Unknown Claims), whether arising under federal, state, common, or foreign law, that arise out of or relate in any way to the institution, prosecution, or settlement of the claims against Defendants. Released Defendants’ Claims do not include: (i) any claims relating to the enforcement of the Settlement; or (ii) any claims against any Person or entity that submits a request for exclusion from the Settlement Class that is accepted by the Court.

“Released Claims” means all Released Defendants’ Claims and all Released Plaintiffs’ Claims.

“Unknown Claims” means any Released Plaintiffs’ Claims which Plaintiffs or any other Settlement Class Member does not know or suspect to exist in his, her, or its favor at the time of the release of such claims, and any Released Defendants’ Claims which any Defendant does not know or suspect to exist in his, or her, or its favor at the time of the release of such claims, which, if known by him, her, or it, might have affected his, her, or its decision(s) with respect to this Settlement. With respect to any and all Released Claims, the Parties stipulate and agree that, upon the Effective Date of the Settlement, Plaintiffs and Defendants shall expressly waive, and each of the Defendants’ Releasees and the other Settlement Class Members shall be deemed to have waived, and by operation of the Judgment shall have expressly waived, to the fullest extent permitted by law, any and all provisions, rights, and benefits conferred by any law of any state or territory of the United States, or principle of common law or foreign law, which is similar, comparable, or equivalent to California Civil Code § 1542, which provides:

A general release does not extend to claims that the creditor or releasing party does not know or suspect to exist in his or her favor at the time of executing the release and that, if known by him or her, would have materially affected his or her settlement with the debtor or released party.

If the Court approves the Settlement, all Settlement Class Members who have not excluded themselves in writing will have fully, finally, and forever settled and released any and all Released Claims, contingent or non-contingent, that now exist, or heretofore have existed, upon any theory of law or equity that were asserted or could have been asserted in the Action.

EXCLUDING YOURSELF FROM THE SETTLEMENT

13. How do I get out of the Settlement?
--

If you do not wish to be included in the Settlement Class and you do not wish to participate in the proposed Settlement described in this Notice, you may request to be excluded. To do so, you must submit a written request for exclusion, postmarked no later than _____. The request must provide the following information to the Claims Administrator: (i) name; (ii) address; (iii) telephone number; (iv) number of shares of Portola Common Stock purchased or otherwise acquired during the Settlement Class Period; (v) the date of each such purchase or acquisition and the price or other consideration paid; (vi) the date of each sale or other disposal of any share of Portola Common Stock during the Settlement Class Period and the price or other consideration received; (vii) the number of shares of Portola Common Stock held immediately before the commencement of the Settlement Class Period; and (viii) a statement that the Person or entity wishes to be excluded from the Settlement Class. Any request for exclusion must also be signed by the Person or entity requesting exclusion.

The request must be addressed as follows:

Portola Pharmaceuticals, Inc. Securities Litigation
c/o Epiq Class Action and Claims Solutions, Inc.
P.O. Box 6800
Portland, OR 97228-6800

You cannot exclude yourself by phone or by email.

If you ask to be excluded from the Settlement Class, you will not get any Settlement payment, and you cannot object to the Settlement. If you exclude yourself, you will not be legally bound by anything that happens in this Action. You may be able to sue (or continue to sue) Portola and the other Defendants in the future about the claims in this Action.

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

THE LAWYERS REPRESENTING YOU

14. Do I have a lawyer in this case?

Yes. The Court appointed Berman Tabacco, Lead Counsel, to represent all Settlement Class Members. Lead Counsel may be contacted at the address and phone number listed on page ___ above. There is no need to retain your own lawyer. If you want to be represented by your own lawyer you may hire one at your own expense.

15. How will the lawyers be paid?

At the Final Approval Hearing, Lead Counsel will ask the Court to approve payment of up to 25% of the Settlement Fund, or approximately \$4,375,000 for attorneys' fees, for reimbursement of out-of-pocket expenses not to exceed \$840,000, and for reimbursement of Plaintiffs' expenses in an amount not to exceed \$20,000 in total. Any fees and expenses awarded by the Court will be paid from the Settlement Fund plus that percentage of interest accrued. The attorneys' fees and expenses requested will be the only payment to Lead Counsel for its efforts in achieving the Settlement and for their risk in undertaking this representation on a wholly contingent basis. To date, Lead Counsel has not been paid for their services for conducting this Action on behalf of Lead Plaintiff and the Class, nor for their subsequent substantial out-of-pocket expenses. The fee requested will compensate Lead Counsel for their work in achieving the Settlement Fund. The Court may, however, award less than this amount. In that case, the difference will remain with the Settlement Fund.

OBJECTING TO THE SETTLEMENT

16. How do I tell the Court that I do not like the Settlement?

You can ask the Court to deny approval by filing an objection. You can't ask the Court to order a different settlement; the Court can only approve or reject the Settlement. If the Court denies approval, no settlement payments will be sent out and the Action will continue. If that is what you want to happen, you must object.

You must object to the proposed Settlement in writing. You also may, but are not required to, appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for paying that attorney. All written objections and supporting papers must be submitted to the Court either by mailing them to the Class Action Clerk, United States District Court, Northern District of California, 450 Golden Gate Avenue, Box 36060, San Francisco, CA 94102-3489, or by filing them electronically or in person at any location of the United States District Court for the Northern District of California so that they are received, and not simply postmarked, on or before _____.

Any objection must: (i) clearly identify the case name and number, *Hayden, et al. v. Portola Pharmaceuticals, Inc., et al.*, Case No. 3:20-cv-00367-VC; (ii) include the full name, address, and phone number of the objecting Settlement Class Member and must be signed by the objecting Settlement Class Member; (iii) include a list of all of the Settlement Class Member's Settlement Class Period transactions in Portola Common Stock, including dates thereof; (iv) include a written statement of all grounds for the objection; and (v) include copies of any legal support

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

for the objection and any papers, briefs, or other documents upon which the objection is based which you wish to bring to the Court's attention in support of your objection.

If you wish to appear in person at the Final Approval Hearing, you must submit to the Court with your objection a Notice of Intention to Appear. If you intend to appear at the Final Approval Hearing through counsel, your objection must also state the identity of all attorneys who will appear at the Final Approval Hearing and your counsel must submit a Notice of Intention to Appear with the objection.

If you do not make your objection, you shall be deemed to have waived such objection and shall forever be foreclosed from making any objection to the fairness or adequacy of the proposed Settlement or any part thereof. The requirement of a written objection as a prerequisite to appearing at the Final Approval Hearing to object to the Settlement may be excused upon a showing of good cause. The Court will require only substantial compliance with the requirements for submitting an objection.

17. What's the difference between objecting and being excluded from the Settlement Class?

Objecting is simply telling the Court that you do not like something about the Settlement. You can object only if you stay in the Settlement Class. Excluding yourself is telling the Court that you do not want to be part of the Settlement Class. If you exclude yourself, you have no basis to object because the case no longer affects you.

THE COURT'S FINAL APPROVAL HEARING

The Court will hold a hearing to decide whether to approve the Settlement. You do not need to attend that hearing but are welcome to attend if you so desire.

18. When and where will the Court decide whether to approve the Settlement?

The Final Approval Hearing will be held at ___ on ___ before the Honorable Vince Chhabria, United States District Court for the Northern District of California, either via video conference or in San Francisco Courthouse, Courtroom 4 – 17th Floor, 450 Golden Gate Avenue, San Francisco, CA 94102. **THE FINAL APPROVAL HEARING DATE MAY CHANGE WITHOUT FURTHER NOTICE TO THE SETTLEMENT CLASS, SO PLEASE CHECK THE SETTLEMENT WEBSITE OR THE COURT'S PACER SYSTEM TO CONFIRM THE HEARING DATE.** At this hearing, the Court will consider (i) whether the Settlement is fair, reasonable, and adequate; (ii) the Action should be dismissed with prejudice against the Defendants, as set forth in the Stipulation; (iii) whether the proposed Plan of Allocation to distribute the Settlement proceeds (described on pages ___ to ___ below) is reasonable; and (iv) whether to approve the application by Lead Counsel for attorneys' fees and reimbursement of reimbursement of Litigation Expenses and other costs and expenses. If there are objections, the Court will consider them. The Court has discretion to listen to people who have made a written request to speak at the hearing. The Court can only approve or reject the Settlement, and not change it. After the hearing, the Court will decide whether to approve the Settlement and the attorneys' fees and reimbursement of reimbursement of Litigation Expenses and other costs and expenses request. We do not know how long these decisions will take.

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

19. Do I have to come to the Final Approval Hearing?

No. Lead Counsel will answer questions the Judge may have. But, you are welcome to come at your own expense. If you send an objection, you don't have to come to Court to talk about it. As long as you mailed your written objection on time, the Court will consider it. You may also pay your own lawyer to attend, but it is not necessary.

20. May I speak at the Final Approval Hearing?

Any Settlement Class Member who did not request to be excluded from the Settlement Class by _____ is entitled to appear at the Final Approval Hearing, in person or through a duly authorized attorney, and to show cause why the Settlement should not be approved as fair, reasonable, and adequate. However, you may not be heard at the Final Approval Hearing unless, on or before _____, you file a Notice of Intention to Appear and a statement of the position that you will assert and the grounds for the position, together with copies of any supporting papers or briefs with the Clerk of the Court, United States District Court, Northern District of California, 450 Golden Gate Avenue, Box 36060, San Francisco, CA 94102-3489, as described in the response to Question No. 16 ("*How do I tell the Court that I do not like the Settlement?*") above.

Only Settlement Class Members who have submitted written notices in this manner may be heard at the Final Approval Hearing, unless the Court orders otherwise.

IF YOU DO NOTHING

21. What happens if I do nothing at all?

If you are a Settlement Class Member but do nothing, then you will get no money from this Settlement. You must file a Claim Form to be eligible to receive anything from the Settlement. But, unless you exclude yourself, you will not be able to start a lawsuit, continue with a lawsuit, or be part of any other lawsuit against the Defendants about the legal issues in this case ever again.

GETTING MORE INFORMATION

22. Are there more details about the Settlement?

Yes. This Notice summarizes the proposed Settlement. More details (including definitions of various terms used in this Notice) are contained in the pleadings and other papers in this Action, including the formal Stipulation, which have been filed with the Court. Lead Plaintiff's submissions in support of the Settlement and Lead Counsel's fee and expense application will be filed with the Court prior to the Final Approval Hearing. In addition, information about the Settlement will be posted on the website set up for this case: www.PortolaSecuritiesLitigation.com. UNDERSTANDING YOUR PAYMENT—THE PLAN OF ALLOCATION

A. Introduction to the Plan of Allocation

The objective of the Plan of Allocation is to equitably distribute the Net Settlement Fund among Authorized Claimants based on their respective alleged economic losses as a result of the alleged misstatements and omissions, as opposed to losses caused by market- or industry-wide factors, or company-specific factors unrelated to the alleged fraud. The Claims Administrator shall determine each Authorized Claimant's share of the Net Settlement Fund based upon the recognized loss formula ("Recognized Loss") described below.

A Recognized Loss will be calculated for each share of Portola Common Stock purchased or otherwise acquired during the Settlement Class Period.² The calculation of Recognized Loss will depend upon several factors, including when shares of Portola Common Stock were purchased or otherwise acquired during the Settlement Class Period and in what amounts, and whether such stock was sold and, if sold, when and for what amounts. The Recognized Loss is not intended to estimate the amount a Settlement Class Member might have been able to

² Throughout the Settlement Class Period, Portola Common Stock was listed on NASDAQ Global Select Market under the symbol PTLA.

recover after a trial, nor to estimate the amount that will be paid to Authorized Claimants pursuant to the Settlement. The Recognized Loss is the basis upon which the Net Settlement Fund will be proportionately allocated to the Authorized Claimants. The Claims Administrator will use its best efforts to administer and distribute the Net Settlement Fund to the extent that it is equitably and economically feasible. The Court will be asked to approve the Claims Administrator's determinations before the Net Settlement Fund is distributed to Authorized Claimants.

The Plan of Allocation was created with the assistance of a consulting damages expert to calculate how the price of Portola Common Stock was allegedly artificially inflated throughout the Settlement Class Period. The estimated alleged artificial inflation in the price of Portola Common Stock during the Settlement Class Period is reflected in Table 1 below. The computation of the estimated alleged artificial inflation in the price of Portola Common Stock during the Settlement Class Period is based on certain misrepresentations alleged by Lead Plaintiff and the price change in the stock, net of market- and industry-wide factors, in reaction to the public announcements that allegedly corrected the misrepresentations alleged by Lead Plaintiff.

In this Action, Lead Plaintiff alleges that Defendants made false statements and/or omitted material facts during the Settlement Class Period, which had the purported effect of artificially inflating the price of Portola Common Stock. Lead Plaintiff further alleges that corrective disclosures removed artificial inflation from the price of Portola Common Stock on January 10, 2020, February 27, 2020, and March 2, 2020 (the "Corrective Disclosure Impact Dates"). Thus, in order for a Settlement Class Member to have a Recognized Loss under the Plan of Allocation, Portola Common Stock must have been purchased or acquired during the Settlement Class Period and held through at least one of these Corrective Disclosure Impact Dates.

From	To	Per-Share Price Inflation Alleged By Plaintiffs
1/8/2019	1/9/2020	\$12.43
1/10/2020	2/26/2020	\$2.56
2/27/2020	2/28/2020	\$0.82
3/2/2020	Thereafter	\$0.00

Portola Common Stock purchased in and/or traceable to the Company's secondary public offering on or about August 14, 2019 (the "August 2019 Offering"), are the only securities eligible for a claim under the Securities Act. The Recognized Loss for Common Stock with a claim under both the Exchange Act and the Securities Act shall be the maximum of: (i) the Recognized Loss amount calculated under the Exchange Act as described below in "Calculating Recognized Loss Per Share Under the Exchange Act"; or (ii) the Recognized Loss amount calculated under the Securities Act as described below in "Calculating Recognized Loss Per Share Under the Securities Act." The Securities Act provides for an affirmative defense of negative causation which prevents recovery for losses that Defendants prove are not attributable to misrepresentations and/or omissions alleged by Lead Plaintiff in the offering's registration statement. Given Lead Counsel's assessment of the relative risks of the Securities Act and Exchange Act claims in this lawsuit, the Recognized Loss calculation under the Securities Act assumes that the Company-specific declines in the price of Portola Common Stock on the Corrective Disclosure Impact Dates alleged by Lead Plaintiff are the only compensable losses.

The “90-day lookback” provision of the PSLRA is incorporated into the calculation of the Recognized Loss for Portola Common Stock under the Exchange Act. The limitations on the calculation of the Recognized Loss imposed by the PSLRA are applied such that losses on Portola Common Stock purchased during the Settlement Class Period and held as of the close of the 90-day period subsequent to the Settlement Class Period (the “90-Day Lookback Period”) cannot exceed the difference between the purchase price paid for such stock and its average price during the 90-Day Lookback Period. The Recognized Loss on Portola Common Stock purchased during the Settlement Class Period and sold during the 90-Day Lookback Period cannot exceed the difference between the purchase price paid for such stock and its rolling average price during the portion of the 90-Day Lookback Period elapsed as of the date of sale.

In the calculations below, all purchase and sale prices shall exclude any fees, taxes, and commissions. If a Recognized Loss amount is calculated to be a negative number, that Recognized Loss shall be set to zero. Any transactions in Portola Common Stock executed outside of regular trading hours for the U.S. financial markets shall be deemed to have occurred during the next regular trading session for the U.S. financial markets.

A Recognized Loss will be calculated as set forth below for each share of Portola Common Stock purchased or otherwise acquired during the Settlement Class Period that is listed in the Claim Form and for which adequate documentation is provided.

Please note that the approval of the Settlement is separate from and not conditioned on the Court’s approval of the Plan of Allocation. You do not need to make any of these calculations yourself. The Claims Administrator will make all of these calculations for you.

 - b. \$28 (*i.e.*, the offering price) *minus* the greater of the sale price or \$10.11.
- IV. For each share that was sold during the period March 2, 2020 through July 1, 2020,⁴ inclusive, the Recognized Loss per share is *the lesser of*:

 - b. \$28 (*i.e.*, the offering price) *minus* the greater of the sale price or \$10.11.

³ February 28, 2020 is the date of the first complaint filed in this action that states a claim under the Securities Act for the August 2019 Offering. The closing price for Portola Common Stock that day was \$10.11.

⁴ Following the Settlement Class Period, in July 2020, Portola Inc. was acquired by Alexion Pharmaceuticals, Inc. ("Alexion") through a tender offer and subsequent merger with a wholly owned subsidiary of Alexion. The tender offer was to purchase all issued and outstanding shares of Portola Common Stock at a price of \$18.00 per share in cash. The offer expired one minute following 11:59 p.m., New York City time, on July 1, 2020. As a result of the merger, as of July 2, 2020, Portola Common Stock ceased trading on the NASDAQ Global Select Market.

D. General Provisions Applicable to the Plan of Allocation

The payment you receive will reflect your proportionate share of the Net Settlement Fund. Such payment will depend on the number of eligible securities that participate in the Settlement, and when those securities were purchased and sold. The number of Claimants who send in Claims varies widely from case to case.

A purchase or sale of Portola Common Stock shall be deemed to have occurred on the “contract” or “trade” date as opposed to the “settlement” or “payment” date.

Acquisition by Gift, Inheritance, or Operation of Law: If a Settlement Class Member acquired Portola Common Stock during the Settlement Class Period by way of gift, inheritance, or operation of law, such a claim will be computed by using the date and price of the original purchase and not the date and price of transfer. Notwithstanding any of the above, receipt of Portola Common Stock during the Settlement Class Period in exchange for securities of any other corporation or entity shall not be deemed a purchase or sale of Portola Common Stock.

If a Settlement Class Member made more than one purchase/acquisition or sale of Portola Common Stock during the Settlement Class Period, all purchases/acquisitions and sales shall be matched on a First In, First Out (“FIFO”) basis such that Settlement Class Period sales will be matched against previous purchases/acquisitions in chronological order, beginning with the earliest purchase/acquisition made during the Settlement Class Period.

The date of covering a “short sale” of Portola Common Stock is deemed to be the date of purchase of Portola shares. The date of a “short sale” of Portola Common Stock is deemed to be the date of sale of Portola shares. In accordance with the Plan of Allocation, however, the Recognized Loss on “short sales” is zero. In the event that a claimant has a short position in Portola Common Stock, the earliest subsequent Settlement Class Period purchases shall be matched against such short position and not be entitled to a recovery until that short position is fully covered.

Payment according to the Plan of Allocation will be deemed conclusive against all Authorized Claimants. A Recognized Loss will be calculated as defined herein and cannot be less than zero. The Claims Administrator shall allocate to each Authorized Claimant a *pro rata* share of the Net Settlement Fund based on his, her, or its total Recognized Losses as compared to the total Recognized Losses of all Authorized Claimants. No distribution will be made to Authorized Claimants who would otherwise receive a distribution of less than \$10.00.

Settlement Class Members who do not submit an acceptable Claim Form will not share in the Settlement proceeds. The Stipulation and Judgment dismissing this Action will nevertheless bind Settlement Class Members who do not submit a request for exclusion or submit an acceptable Claim Form.

Defendants, their respective counsel, and all other Defendants’ Releasees will have no responsibility for, interest in, or liability whatsoever for the investment of the Settlement Fund; the distribution of the Net Settlement Fund; the Plan of Allocation; the determination, administration, or calculation of Claims; the payment of any Claim; the payment or withholding of Taxes or Tax Expenses; or any losses incurred in connection therewith. Lead Plaintiff, the Escrow Agent, Plaintiff’s Counsel, or any Claims Administrator likewise will have no liability for their reasonable efforts to execute, administer, and distribute the Settlement.

Questions? Call (844) 808-4889 (Toll Free) or visit www.PortolaSecuritiesLitigation.com.

No Authorized Claimant will have any claim against Lead Plaintiff, Additional Named Plaintiff OFPRS, Lead Counsel, OFPRS' counsel, the Claims Administrator, or any other agent designated by Lead Counsel based on the distributions made substantially in accordance with the Stipulation, the Plan of Allocation, or further orders of the Court. In addition, in the interest of achieving substantial justice, Lead Counsel will have the right, but not the obligation, to waive what they deem to be formal or technical defects in any Claim Forms filed.

Thus, if you are a Settlement Class Member, the Judgment will release, and enjoin the filing or continued prosecution of, the Released Plaintiffs’ Claims against the Defendants and Defendants’ Releasees.

8. Use the Schedule of Transactions in Part III of this Claim Form to supply all required details of your transaction(s) in and holdings of Portola Pharmaceuticals, Inc. common stock. On the Schedule of Transactions, please provide all of the requested information with respect to your holdings, purchases, acquisitions, and sales of Portola Pharmaceuticals, Inc. common stock, whether such transactions resulted in a profit or a loss. 14. By submitting a signed Claim Form, you will be swearing that you:

- (a) own(ed) the Portola Pharmaceuticals, Inc. common stock you have listed in the Claim Form; or
- (b) are expressly authorized to act on behalf of the owner thereof.

15. By submitting a signed Claim Form, you will be swearing to the truth of the statements contained therein and the genuineness of the documents attached thereto, subject to penalties of perjury under the laws of the United States of America. The making of false statements, or the submission of forged or fraudulent documentation, will result in the rejection of your Claim and may subject you to civil liability or criminal prosecution.
